**Please use the space below to explain why you should be chosen by
NYCAPITALSPORTS.NET to be your schools SSID**

All of the above information will be used to help determine who will be chosen as the SSID for
NYCAPITALSPORTS.NET. Those who have been chosen for each school will be notified by phone.

SECTION II'S HIGH SCHOOL SPORTS INFORMATION AUTHORITY STUDENT SPORTS INFORMATION DIRECTOR

In August 2009, the landscape of Section II High School sports changed forever. NYCAPITALSPORTS.NET is the areas new authority on High School sports. This does not mean only the major or most popular sports and it also does not mean just from the larger schools. The website will covers every sport at every school. There will be no more wondering and searching for your schools results. No more asking who is on the roster. There will now be a place for student athletes, their families, and all high school sports fans to keep up to date on all of Section II athletics.

The main idea of this site is to provide exposure for Section II's student athletes. It is a place to showcase all of their achievements and to keep the public informed as to how the landscape of each sport is shaping up throughout the season. Secondary to that it is a way for student athletes to be recognized not only by the public but also by Colleges. This will increase the amount of student athletes who will go on to participate in College athletics and with the highest hope increase the amount of scholarships for area students.

The site provides: schedules, scores, statistics, standings, rosters, game time photos, and articles.

Acquiring this information is made possible through an internship program that will provide experience and possibly scholarship money for students at each individual school. This Internship is the NYCAPITALSPORTS.NET Student Sports Information Director. Each school will have the opportunity to have at least one SSID. The SSID will work directly with the schools athletic department and coaches to report all of the daily sports information including; rosters, scores statistics and photos. The opportunities will also be available for the SSID to provide articles for the site. Each SSID will always be given credit for their work with their name appearing on their individual schools main page on the site, as well as anywhere their pictures or articles are used on the site.

At the end of each school year scholarships will be awarded to the top SSID's and the internship will be something that each SSID will keep on their resume to be used for job opportunities and college applications.

The SSID application provided should be filled out and returned to:
NYCAPITALSPORTS.NET 211 7th Avenue Watervliet, NY 12189
All applications will be reviewed and all selected SSID's will be contacted by phone or email.

NYCAPITALSPORTS.NET would like to wish you all the best of luck in the 2010-11 school year.
