Chatham jumped on the board in the bottom of the 1st with RBI hits by Tanner Niles and Nick Shaw followed by an RBI ground out from Craig Hall. The panthers widened the margin in the 5th by scoring 6 runs on hits by Gleason, Niles, Craig Hall, Brad Doty and Evan Young. Nick Faxon was dominate in the tough elements today. He scattered two infield hits and a bloop hit to the outfield while cruising to a CG shutout. Chatham's defense was solid behind Nick all day. Chatham was aggressive on the bases creating opportunities to score and forcing the defense to make plays. I am proud of the way Nick pitched today. He attacked the hitters and was still able to keep them off balance. He was efficient (89 pitches/ 57 for strikes), got ahead in counts and stayed away from the middle of the plate all day. He has been spectacular his last 2 outings. Chatham's record is now 5-1 overall and 2-0 in league. Chatham hosts Voorheesville Saturday at 1 pm.
